EPICUREAN

AUTOGRAPH COLLECTION®
HOTELS

Epicurean Hotel

Overview

Said to be a match made in heaven – or more precisely, heaven’s kitchen – the Epicurean Hotel is a Mainsail Lodging & Development project in collaboration with Tampa’s legendary Bern’s Steak House. Crafted for the senses, the hotel offers a variety of indulgences to celebrate the flavors of life. Every element of the hotel has been carefully hand-selected – from wine crates that make up the lobby desk to the thread count of the sheets. It’s a place where connoisseurs of life can indulge over a week-long or weekend getaway, stir inspiration at a business gathering and celebrate in fabulous fashion with friends and loved ones.

Epicurean Hotel is the first newly constructed property in the United States to join the prestigious Autograph Collection® of Marriott International, Inc. (NYSE: MAR).

Setting

Situated in the trendy Hyde Park historic district of South Tampa – known by locals as SoHo – the boutique property is equal parts vacation dream spot and local hotspot. Just down the road from the picturesque waterfront of Bayshore Boulevard, the Epicurean Hotel is in the midst of the city’s social buzz for high-end boutiques and top-rated restaurants, bars and nightclubs.

Epicurean’s interior design reflects its foodie focus, highlighted by natural materials and utilitarian, yet stylish finishes, from varnished Venetian plaster to polished concrete floors. While the hotel exudes a sleek and modern vibe, there are whimsical elements that include vintage railroad carts, wine crates, hemp chandeliers and fun pieces from Bern Laxer, the legendary steak house founder’s personal collection.

Accommodations

The hotel’s 137 guest rooms and suites exude a luxurious blend of urban chic and comfort, each decorated to reflect the culinary heritage and unique nature of the area, with butcher-block-style cabinetry and reclaimed wood bathroom doors that were designed by local craftsmen. Four unique art themes reinforce the Epicurean’s primary themes – Grow, Create, Imbibe and Indulge.

Guest room amenities include complimentary wireless Internet; flat screen HDTV; luxurious bath products; a single-serve brewing system for coffee and café-style beverages; in-room laptop safe and rain shower heads.

All rooms feature an in-room personal artisan pantry stocked with premium liquors, locally crafted beers, Perrier, a selection of San Pellegrino and a diverse selection of five, half bottle varietals with suggested pantry pairings such as, prosciutto, chocolate and sea salt caramels and chèvre.

Select rooms and suites feature private balconies, sleeper sofas, wet bar and soaking tub.

Culinary Excellence

Élevage SoHo Kitchen & Bar – Led by Executive Chef Adam Hyatt, the hotel’s signature restaurant presents a concise menu that is inspired by a variety of cultures including Indian, Mediterranean, Asian and more. The culinary team focuses on fresh, vibrant preparations such as dry aged beef tartare under smoke, whole shawarma roasted cauliflower, herb Israeli cous cous, orange king salmon, grilled maplebrook lion’s mane pappardelle and grilled octopus. Butcher cuts such as Colorado lamb and Bern’s bone in ribeye with a choice of peppercorn demi, truffle herb butter, chimichurri or olive tapenade, are also available. Dessert stars range from sangria cobbler to kaffir lime panna cotta.

Lobby Bar – The Lobby Bar includes a mix of seating featuring industrial high tops, rich leather couches and shared bar seating. The Lobby Bar menu features chef-inspired plates and a cocktail program that showcases well-made classics, while highlighting creative signature offerings. Perfect examples include the diner burger, a fresh take on the classic with cheddar, bread and butter pickles and comeback sauce, and the Kentucky Madame with ham, bacon, tomato, mornay sauce, swiss cheese and a sunny egg. While the menus change seasonally, one foodie-favorite dish remains on The Lobby Bar menu – the Homage to Bern’s pressed steak sandwich, a nod to the Epicurean’s legendary neighbor, Bern’s Steak House.

Chill Bros. Scoop Shop – Chill Bros. at Epicurean is the Tampa-based company’s third scoop shop. This vibrant and fun ice cream and more store also houses the company’s new production facility, the heart of Chill Bros., where all the ice cream is mixed, frozen and packed on site. Chill Bros. uses only the finest ingredients and features a wide variety of made-from-scratch ice creams, mix-ins, toppings, candies, sauces, waffle cones and baked goods. The full-service pastry and ice cream kitchen is visible from the hotel scoop shop and Howard Avenue, giving a front row seat to the team of pastry chefs creating every sauce, infusion, baked good, candy and mix-in that goes into their products. The local company was launched by the Chillura brothers, who find passion in developing all-natural, American-style ice cream made from scratch. A “super chill” spot to stop in anytime to relax and enjoy a tasty treat.

Private dining experiences can be arranged in Élevage, the Epicurean Theatre or Bern’s Fine Wines & Spirits.
